## PRESS RELEASE

June 26, 2020

### 2020 Jeepers Jamboree & Jeep Jamboree, Inc. EVENTS

We previously announced that our Jamboree trips and UTV Con'Quest were a go and that we had created a COVID-19 Preparedness Plan to be implemented into our operations adding additional safety for our employees, volunteers and attendees. We spent countless hours preparing this plan and addressing every aspect of our events to ensure safety for all who attend our trip and for our community.

It is now with an extreme heavy heart that we have to announce that due to our State of California health and safety guidelines, we have been forced to *CANCEL* our 2020 events. We struggled with making this decision, as Jamboree has overcome many obstacles over our 67 years of history. This is one obstacle we tried to tackle at all angles and we simply could not overcome the restrictions placed upon us. We would like to thank our EL Dorado County Supervisors, El Dorado County Sheriff's Department, American Legion Post 119, Georgetown Divide Rotary Club, Native Sons, Rubicon Trail Foundation, Rubicon Soda Springs Inc., sponsors, and volunteers for their unwavering support, but due to the most recent Governor's comments to withhold financial relief from local governments in the upcoming state budget if they do not follow guidelines, we feel we cannot put our county or our company in this position.

We are truly heartbroken over this decision and we will miss all of you this year. We know Jamboree is an important tradition to you as it is to us and our small community.

**Our office will be contacting all registered participants over the next 30 days to offer a refund or rollover to next year's events. We appreciate your patience during these unprecedented times and we kindly request that you wait to be contacted, as our staff is working diligently on all matters.**

We wish everyone good health and happiness and will be looking forward to seeing you all next year for one heck of a trip!
